Objective

Aspiring management consultant with a passion for solving complex business challenges and optimizing organizational performance. Currently pursuing a B.Tech in Engineering from GCOE Jalgaon. Seeking an internship at McKinsey Company to apply my leadership, problem-solving, and strategic thinking skills in consulting.

Education

Bachelor of Technology (B.Tech), Engineering

Expected: 2026

Government College of Engineering, Jalgaon (GCOE), Maharashtra, India

Relevant Coursework: Business Strategy, Organizational Behavior, Operations Management, Project Management

Experience

Event Coordinator, Circuithon

2024

Led a team of 10 to organize and execute a technical event with over 100 participants. Managed event logistics, sponsorships, and communication across departments. Focused on achieving operational efficiency and increasing participant engagement.

Member, e-TESA (Student Body)

2023 – Present

Contributed to departmental initiatives aimed at improving student engagement and academic experiences. Played a key role in organizing events, workshops, and activities that enhanced student collaboration and skill-building.

Volunteer, Jalgaon Ploggers

2023 – 2024

Engaged in environmental conservation efforts through community cleanup drives. Led and organized several plogging events in Jalgaon, working with local residents to raise awareness about environmental sustainability and waste reduction. Demonstrated strong organizational and community engagement skills.

Leadership and Initiatives

Leadership Role in e-TESA

2023 – Present

Initiated and led multiple student engagement programs, fostering collaboration between faculty and students. Focused on improving communication and alignment of academic projects with industry needs.

Circuithon Event Management

2025

Coordinated event operations, handling all aspects from sponsorship acquisition to team management. Successfully increased event participation by 25% compared to previous editions. Demonstrated effective time management and leadership skills.

Skills

- **Leadership:** Proven ability to lead teams and manage projects effectively.
- **Communication:** Strong written and verbal communication skills, with the ability to articulate complex ideas.
- **Strategic Thinking:** Strong problem-solving skills, with a focus on delivering actionable solutions.
- **Technical Skills:** Proficient in Microsoft Office Suite, Google Workspace, and data analysis tools.
- **Languages:** Fluent in English, Hindi, and Marathi.

Projects and Achievements

Optimizing Student Engagement in e-TESA

2024

Led a project to improve student participation in departmental events. Developed new engagement strategies, including leadership development programs, which resulted in a 30% increase in overall student involvement.

Circuithon Logistics and Management

2025

Successfully coordinated the logistical aspects of the event, ensuring smooth execution. Developed strong relationships with vendors and sponsors, resulting in 15% more sponsorship funds than expected.
